Specifications/Features

Housing

LED Wall sconce blends the perfect size and illumination for hallways, reception areas or individual rooms and offices.

Metal faceplate over an acrylic diffuser provides a soft, luminous glow while illuminating the surrounding wall. Ideal for low glare applications.

Select from seven different faceplate designs in Antique Bronze, Black, Silver or White finishes. Optional colored diffuser sold separately, standard color is white.

Custom faceplate designs and diffuser colors available; consult factory.
 ADA compliant for use throughout your building space; sconce measures 9-3/8" x 10-1/4" H x 3-7/8" D.
